### Event Space With A Difference

**mix**, the stylish event space at **mesa & manifesto**, is a venue with a difference. It's a chic, urban space, located in a renovated electronics factory in the heart of Shanghai's former French Concession that works equally well for a meeting of the Board of Directors or a birthday party for friends.

### High-Tech & High Touch

**mix**'s style goes hand-in-hand with substance. Peach-hued walls and high ceilings with softly glowing modernist lamps offer the personality of a boutique space, enhanced with all the technological amenities needed for impressive presentations and efficient meetings, all available in-house. So is the warm, friendly, efficient service that is a **mesa & manifesto** signature.

### Exciting Meals; Delicious Drinks

**mix** is much more than just a pretty space. As part of **mesa & manifesto**, **mix** clients have access to the restaurant that creates "one of the most exciting meals in Shanghai," (according to *Gourmet* magazine), and the bar that has become known for its creative cocktails and delicious drinks.
